

Spring 2017

Dear liaisons, church partners and friends,

Thank you so much for partnering with us once again to help promote our annual Operation Baby Bottle campaign!

We truly appreciate your help; you are an integral part of this life-saving ministry by being our representative to your church.

This is a very simple fundraiser - families take an empty baby bottle home after church on Mother's Day (May 14th), they fill it generously with change, cash, cheques, credit card pledges, and then return it to church on Father's Day (June 18th).

As your church's liaison, the most important role that you will play is to enthusiastically promote this fundraiser and encourage the church leadership to support this.

To make things as simple as possible, all materials are available for download from www.operationbabybottle.com.

Thank you for having a servant's heart. We have detailed instructions for you within this package to help make your job easy. If you have any questions or concerns along the way, please feel free to give me a call at [604.584.4490](tel:604.584.4490) or drop me an email at director@pregnancyoptionscentre.com.

Blessings,

Nataizya Mukwavi
