

Our Mission:

The South Fraser Pregnancy Options Centre exists to offer truth and hope regarding relationship choices and pregnancy options.

“Truth about your body. Truth about your options. Hope for your future.”

Volunteers: We rely on volunteers to operate the centre to its full potential. Last year our volunteers donated approximately 4500 hours of their time.

Funding: We are funded by private donors. The only source of funding from government is for summer student employment. Annual reports are available

Partnership Opportunities

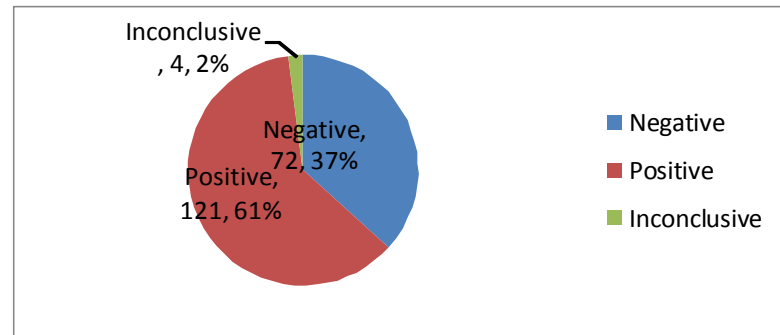

Volunteering—We are always looking for committed and compassionate people to help our clients through options education, centre administration and school presentations. We train new volunteers approximately 3 times a year. Email info@pregnancyoptionscentre.com.

Financial Support—We rely on the support of churches and private donors to operate this ministry. Donations can be made online, via direct withdrawal, credit card or by mailing a cheque. Operation Baby Bottle is our main fundraising campaign that occurs through churches in the spring of every year.

Prayer Support—We appreciate those who stand with us in prayer. We send out approximately 4 newsletters a year in which we specify some prayer requests for the ministry. Your name can be added to the email so that all prayer items are forwarded to you. Email info@pregnancyoptionscentre.com.
